PROGRAMS

Assembly Connect provides programs and services that are designed to encourage the use of transportation alternatives to driving alone through promotion, cost savings, convenience, and carbon reduction. Programs are free for residents, employees, and visitors to the Assembly District of Somerville, MA.

BIKE MONTH

May is National Bike Month. Assembly Connect will be celebrating by helping Assembly Square employees & residents get ready for the biking season with FREE bike tune-ups and bike information tabling events, as well as Blue Bike demonstrations on the following dates and locations:

Tuesday, May 7th	3-6 PM	at the plaza in front of JP Licks
Saturday, May 11	8-11 AM	at the plaza in front of JP Licks

During these events we be promoting registration to the [MassCommuter Bicycle Challenge \(MCBC\)](#) taking place during National Bike Week (May 11 – May 19). The MCBC – celebrating its 25th year, is a friendly competition between businesses, institutions, and municipalities. Participants who ride and log at least one trip during bike week are eligible for great prizes and are invited to attend the MCBC Bike Bash (May 22nd 5:30 – 7:30 PM at Flat Top Johnny’s (1 Kendall Sq., Cambridge). Participants who log trips will support their employer team (if the employer has a team registered) and the City of Somerville to win their MCBC category!
